

Associate Pastor: Josef Kruppenbacher

How long have you been a part of PBC?

I have been a part of Ponderosa Bible Church since 2016. However, I had known Pastor Joe and Allen Mann since 2013 because of another ministry I had previously been involved with. Because of that, when my wife and I began to attend in September of 2016, it already felt like home.

What is your favorite part of your ministry?

For me, my favorite part is when the Church staff and I have worked so hard on a project for our Church family and they finally get to see it or experience it. The positive response and being able to watch everyone having such a good time more than makes up for the hard work that may have gone into a project.

What is your favorite band(s) and kind of music?

I enjoy all kinds of music but I would have to say that my favorite would be the old Church hymns.

What is one book you think everyone should read (besides the Bible)?

The one book that I would recommend to anyone besides the Bible would be "Mere Christianity" by CS Lewis. That book changed my life and how I look at the Christian faith.

What do you enjoy doing outside of work/ministry?

I enjoy hiking, playing music, card games, video games with the family, going to the gym, taking a long jog, and spending time with my family.
