

How long have you been a part of PBC?

Sharon and I have been with the PBC family since January of 2005.

What is your favorite part about your ministry position at PBC?

My favorite part of ministry is still in Bible Study and preaching. I also like helping and training young men who want to go into Ministry.

What is one book you think everyone should read (besides the Bible?)

Even though I don't agree with positions Max Lucado has shifted to lately, I still love his book, "The Applause of Heaven."

What do you enjoy doing outside of work/ministry?

Outside of my ministry at church I also believe I have a responsibility to my family and especially to my grandchildren. I try to purposely insert myself into their lives to encourage them in godliness. In addition, I love gardening!
