

## Introduction

I'm Shauna Fabian, the Production Director at Ponderosa Bible Church. My primary responsibility is to ensure the seamless execution of our services, focusing on everything from sound quality to the projection on the big screens. I am dedicated to working diligently to guarantee an enjoyable experience for everyone. While I strive for perfection, occasional technical issues may arise. If you have any questions or are interested in assisting in the sound booth, please feel free to reach out. Your support is always welcome!

## Interests and Hobbies

While I have a range of interests, I don't find myself engaging in many hobbies. Occasionally, I participate in Co-Ed Softball for Payson Parks and Recreation, but I must admit that I'm not as athletically skilled as I used to be. I feel a bit embarrassed if I let my team down. I've been contemplating starting a

Christian team, however my family is my primary focus. I use to play the violin, unfortunately, finding time for it has proven challenging. Balancing the responsibilities of being a mother to three keeps me occupied, and I often find myself lacking the energy. I'd like to learn how to read music again and start playing my violin. This year I will be making time to accomplish my goal. Having hobbies as an adult is difficult sometimes.

## Inspirations

My 1st favorite quote: "If you are not part of the solution, you are part of the problem." While I am uncertain of the original source of this quote, my mother use to say it often. This quote has become a guiding principle for me, prompting me to actively contribute to solutions whenever challenges arise.

My 2nd favorite quote: "God does not call the qualified, He qualifies the called." Pastor Joe Falkner makes this statement often and it's truly been my inspiration. When I don't understand something I will pray for wisdom and eventually it comes to me. I wholeheartedly believe that God has guided me through my role at PBC.

My favorite Bible Verse: Romans 3: 21-25 21But now apart from the Law the righteousness of God has been revealed, being witnessed by the Law and the Prophets, 22but it is the righteousness of God through faith in Jesus Christ for all those who believe; for there is no distinction, 23for all have sinned and fall short of the glory of God, 24being justified as a gift by His grace through the redemption which is in Christ Jesus, 25whom God displayed publicly as a propitiation in His blood through faith.

These are my favorite verses because they acknowledge the truth that we are all sinners who fall short of the original law. We are human, it is in our nature to sin. In fact, becoming a Christian has been the hardest, yet most joyful experience of my life. Accepting that Jesus died for my sins and knowing it was simply because He loves me, is truly a precious gift.
