

Introduction

My name is Adam Burriel, and I am the Worship Director at Ponderosa Bible Church.

Prior to graduating with my bachelor's degree, I led worship at a small church in Chandler, Arizona. After graduation, I chose to dedicate my career to serving the public in government. However, after six years of being bound by "red tape," I decided to get back into ministry where I could make a lasting difference for God's Kingdom.

Interests and Hobbies

Since moving to Payson, my wife and I have enjoyed exploring the surrounding areas. We love going to the local thrift stores and hunting for classic novels. Also, I have a home recording studio where I enjoy writing my own music.

Inspiration

One of my favorite Bible verses is Philippians 4:5 (ESV) when Paul says, "Let your reasonableness be known to everyone." I think we've lost that in modern society. As followers of Jesus, we're called to think clearly and handle issues with grace and love. I'm not perfect in that aspect—that is why I truly believe fellowship and reading God's Word are so important.
