1. When Paul said that one who speaks in a tongue does not speak to men but to God, what does he mean? Is he saying the gift of tongues is to be used to speak to God? _____

2. When Paul says that one who speaks in a tongue edifies himself, is he directing believers to speak in tongues so we might edify ourselves? See verse 12. Are the gifts given to edify ourselves or others?

3. When Paul said he wished that all spoke in tongues, how do you understand that in combination with his statement that the gifts are given sovereignly by God and not according to our desires?

4. Do you think speaking in tongues is speaking a real language or do you think it is ecstatic speech?

5. Do you believe these verses were written by Paul to encourage the Corinthians in their use of tongues, or was he rebuking and correcting them?
