“A New World Coming.”

Revelation 21:1-27

1. Why is it important to have a biblical worldview?

2. All religious world views except Christianity are based on what?

3. The emphasis of the New World that God has prepared is positive or negative? Explain.

4.. Why is there such an emphasis in scripture on the living water?

5. When it says there will be no liars in the New World, what about the fact that many people have lied, including you? If you have ever lied, does that mean that you will not be in God's New World?
